## SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

### An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the company printed on the front of every package.

WEDNESDAY JAN. 15, 1902.

The selection of Hon. O. H. Montgomery for chairman of the Fourth Congressional district today is an honor worthily bestowed. No man in the district has the confidence and esteem of the people to a larger degree than he. The position came unsought, but the unanimity which characterized the convention and the fact that no other candidate saw fit to contest for the position doubles the honor bestowed. The chairmanship of the Fourth district is a difficult job and one that requires a large amount of careful thought and planning, but the republicans will realize more and more as the campaign advances that they have made an excellent selection, and one that will bring credit to the party.

## The Sunny South.

We publish elsewhere today the announcement of the Sunny South, the great weekly literary periodical of the southern states. Published in Atlanta, Georgia, in the heart of the great south, it bears upon it the impress of its birthplace and environment. For more than twenty-five years the Sunny South has been a recognized factor in the field of southern literature. It was established more than a quarter of a century ago as a southern story paper and was published for a long time as a weekly and then as a monthly.

About one year ago the paper passed under new management, and in less than a year it has jumped from a circulation of 12,000 to nearly 60,000. The first thing the new management did was to make it a weekly publication and to reduce the price to fifty cents per year—less than one cent an issue—and then infuse into its columns all the enterprise and literary ability that money could command or determination secure.

If you have never seen a copy of it sent today for it on a postal card addressed to the Sunny South, Atlanta, Ga., giving also the names of six of your neighbors and special friends who may also have this treat.

## In Olden Times.

People overlooked importance of permanently beneficial effects and were satisfied with transient action; but now that it is generally known that Syrup of Figs will permanently overcome habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system. ## MANY PLANTS

Have fragrant blossoms. Many others are fragrant only when crushed.

There is one which is fragrant in bloom and fragrant also when its ripened fruit is crushed and made into a drink. We know it as coffee.

To enjoy the most delicious fragrance of coffee in its highest state of perfection you should buy what you are sure is coffee, pure and simple, without any adulteration.

Chase & Sanborn's Coffee is a pure coffee. What is more, it is the best coffee that can be raised by experienced planters. Furthermore every bean is selected and the same care is maintained in roasting and packing, until it reaches the consumers' hands.

Because it is pure it is healthful and the price at which it sells is so little in advance of cheaper grades that one stops and wonders why any one should not always have Chase & Sanborn's Seal Brand Coffee, or any one of their high grade brands which come in parchment lined colored bags.

# THE 25c. FAMILY DOCTOR.

CEDAR SPRINGS, MICH.—Mrs. Isaac Dunham, a well-known lady of that place, writes: "I cannot praise Dr. A. W. Chase's Kidney-Liver Pills too much. They did for me what doctors and other medicines could not do. I was troubled with severe disorders of the kidneys and enlargement of the liver. My family doctor treated me the whole of last winter, but did not help me very much, so I gave him up and began using Dr. A. W. Chase's Kidney-Liver Pills. The result was simply wonderful. I am now strong and healthy again, thanks to Dr. Chase's Kidney-Liver Pills."

SHENANDOAH, PA.—Sylvester Pappert of No. 117 South Main St., says: "For twenty years past I have been troubled with constipation and kidney trouble and during that time I have taken dozens of packages of different remedies but none of them did me any good. The secretions were irregular and unnatural. I got some of Dr. A. W. Chase's Kidney-Liver Pills and since using them the action of the kidneys is normal and regular and their general cathartic effect is good."

### BRIBERY CHARGE

Ex-Speaker of Michigan Legislature Tried on Serious Complaint.

Mason, Mich., Jan. 15.—The trial of Edgar I. Adams, speaker of the house of the Michigan legislature of 1899, charged with taking a bribe, began yesterday before Judge Howard West in the Ingham circuit court. It is alleged that Charles H. Pratt, agent of the West Publishing company of St. Paul, tried to secure the passage of a joint resolution through the legislature to have each county in the state supplied with the reports published by his company, that \$20,000 was deposited in the First National bank of St. Paul to be used as a corruption fund, and that against this deposit Pratt drew two checks of \$5,000 each and five of \$2,000 each. Land Commissioner French, it is alleged, received \$14,000 and Speaker Adams \$6,000 to be used in putting the deal through. The joint resolution failed and checks were returned to Pratt and destroyed. Pratt was convicted Nov. 2 of bribery, and appealed. Pratt is subpoenaed to attend the present trial. The testimony of Judge F. S. Shepherd of Cheboygan, who was chairman of the house judiciary committee of the legislature, and of Henry M. Cheever of Detroit, who moved the adoption of the resolution, was taken but nothing startling developed.

### A Nebraska Incident.

Tecumseh, Neb., Jan. 15.—At the instance of J. H. Woolsey, a merchant of Hubbell, Neb., 10 citizens of that place were arrested and brought to this place for trial on a charge of threatening. All were arraigned and their trials set for next Friday. Woolsey claims the men under arrest drove himself and his wife from town at the point of revolvers and threatened them should they return. The trouble is said to have been caused by the marriage of Woolsey under circumstances not to the liking of the citizens. Several of the men under arrest are prominent citizens.

### OBITUARY.

DOUGLASS—Cyrus Douglass was born near Seymour, July 2, 1814, died Dec. 11, 1901, aged 88 years, 5 months and nine days. He was married Feb. 5, 1846, to Harriet Harrison, daughter of David and Polly Harrison, old settlers of Jackson county. To them were born five children, four boys and one girl. One boy dying at the age of seven months. His parents came from Rochester, N. Y., in 1800, and settled near Seymour when the town was but wilderness. He was a kind tenderhearted man. His children never received an unkind word. He was a member of the Baptist church and lived a true christian life. In 1849 he moved to his home near Leesville where he was surrounded by his happy family until the death Angel called him to his home. He leaves a widow, eighty years old, three sons and one daughter, nine grandchildren and seven great grandchildren. But if they are faithful they will meet him again in that beautiful home on high. His funeral discourse was preached by Rev. Martin Hughes, a life long friend. The remains were laid to rest in the Shields cemetery Dec. 12. He was followed to his last resting place by a large concourse of sorrowing relatives and friends. There is no flock however watched and tended, But one dead lamb is there. There's no fireside, however defended But has one vacant chair.

Let us speak of man as we find him, And ensure only what we can see, Remembering that no one can be perfect, Unless he uses Rocky Mountain Tea. Ask your druggist.

## Seek Relief!

The great proportion of women who suffer never make a serious effort to benefit themselves. The most of them go on paying no attention to their little menstrual disorders, believing they will eventually wear off. They grow worse and worse every day. At the period of menstruation a woman is peculiarly susceptible to cold and other external influences and it is also the most favorable time for the development of hidden disease germs which may be lurking in the system. Any physician knows that disordered menstruation, falling of the womb and leucorrhoea are blighting lives in almost every home. No woman should neglect herself a moment after she sees indications of female diseases. Almost instant relief can be secured by the use of

## WINE OF CARDUI

It will relieve you right in your own home. Will you accept the testimony of Mrs. Beigler and thousands of other women and really seek relief today? All druggists sell \$1.00 bottles of Wine of Cardui.

100 Chicago Street, Fort Wayne, Ind., March 27, 1900. Your Wine of Cardui has done a world of good for me. I have used five bottles of the Wine and one package of Theodor's Black-Drain. And since I have started to use it I will not be without it in the house. It helped my sister in Toledo, who did not menstruate as she ought. She was sixteen years of age and nothing else helped her. I found relief in three days. And now I feel like a new woman and do all my housework and washing, which I could not do before I took Wine of Cardui. I would be very glad to write any poor woman and tell her how I suffered before I used Wine of Cardui.
